For candidates that meet our criteria we will be conducting **face to face interviews in Italy**.

### You are required to have:

- Registered with the NMC / Registration pending
- Must have at least 6 months of clinical experience in the area their specialism
- Advanced level of English (written and spoken)

### Skills/ Abilities include:

- Able to assess, plan, implement & evaluate programmes of care
- Good interpersonal skills with the ability to relate within the interdisciplinary team and across disciplines and agencies
- Effective communication skills (written, non-verbal & verbal)

- Self motivated, uses own initiative and will make decisions
- Able to prioritise workload
- Work well in stressful situations and able to respond effectively to challenging situations
- Maintains clear and accurate records of assessments made, nursing care and treatment delivered and how effective these have been
- Ensure all patients and relatives are treated with respect and dignity at all times

#### **In return HCL Nursing will offer you:**

- Attractive pay structures for all shifts, hourly standard rates between £16 - £22
- Flexible and on-going shift options available
- Ongoing support provided by our experienced clinical team 24/7
- All agency workers are paid weekly
- Guaranteed weekly salary of £300 for the first four weeks
- Assistance in finding the accommodation
- 5 days of training induction explaining the healthcare system in the UK
- Free compliance process, training, CRBs and occupational health screening
- A unique & generous rewards programme that rewards you a point for every hour you work with us
- First uniform is provided for free
